How do I buy?

Choose:

1. Maestro Set Series, which is all 12 concerts; or
2. Choose Your Own (CYO4+) package. Each person selects a minimum of four concerts across any series, giving you total flexibility to pick and choose!

Please note the following points:

- Select four or more concerts per person
- Select the same seat reserve for each concert (i.e. All A RES)
- Each member of your party must select the same group of concerts. If a member of your party wants a different selection of concerts, they must fill out a separate form and staple together with yours.
- To sit with friends submitting their own forms, please submit all forms stapled together
- Excludes specials
- Regular newsletters to keep you informed

You don't have to pay for it all right away – deferred payment is available for purchasers paying by credit card.

A bus from the Gold Coast to QPAC is available for highlighted concerts. For more information call 3833 5000 or visit qso.com.au

Subscription Tickets

Queensland Symphony Orchestra authorises QTIX ticketing agency to process all subscription package applications. In addition to the general terms and conditions of sale, the following procedures apply to all tickets sold as part of season ticket packages.

Season ticket sales open Wednesday 7 September 2011. Renewing season ticket holders receive a priority booking period. This is from **9am Wednesday 7 September 2011 until Friday 28 October 2011**. For patrons who select the deferred payment option, 50% of your total order will be processed to your credit card on receipt of your order form, and the balance of your total order will be processed from 10 January 2012. Single tickets will go on sale to the general public on Tuesday 10 January 2012.

New season ticket bookings will be processed AFTER the allocation of renewing season ticket bookings. All new bookings are processed date order of receipt.

Payment by cheque, money order or credit card must accompany your application. We can only accept instalments for payments made by credit card.

Season tickets may be exchanged for tickets to an alternative performance up to two working days before a performance. Ticket exchanges are subject to availability and a ticket exchange fee of \$3.30 per ticket applies. You will also be required to pay any seat upgrade costs that apply. This is calculated as the difference in single ticket cost in your chosen reserve between your current seat and your chosen new seat.

Maestro Set Series packages are available up until the first performance of the series.

Choose Your Own season tickets are accepted throughout the season until only four concerts remain. Seat allocation is subject to availability.

Concession Discounts: Eligible concessions include Healthcare Cards, Invalid, Supporting Parent, Unemployed, Pension Cards and Senior Cards (excludes Senior Business Cards).

Student Discount: Student discount applies to Full Time Students. Please supply a photocopy proof of ID for each full time student discount claimed.
