

Queensland Symphony Orchestra's **SidebySide Program** (previously known as the Prodigy Project) provides one-on-one mentoring from a QSO musician and the opportunity to participate in a mainstage performance alongside the full Orchestra. These opportunities are available for advanced level instrumental students in regional locations. This program is free of charge and something Queensland Symphony Orchestra is extremely proud to offer. The SidebySide Program provides important audition, learning and performance experience for aspiring musicians. It aligns with the Queensland Instrumental Music Curriculum and the Australian Curriculum by providing performance opportunities as well as technical and expressive skill development.

QSO invites students from Townsville to audition for the opportunity to perform alongside QSO in *Symphony Under the Stars*, conducted by Vladimir Fanchil. The concert will be held at the Jezzine Barracks on Friday 27 September 2024. Program participants will join the Orchestra for Slavonic Dance No. 8 by Dvořák. Please note that this piece will not be listed in the program as it will be performed as the encore.
